# FIRST WYOMING CAPITAL

Dear First Wyoming Capital Shareholder,

As the new year begins, First Wyoming Capital is preparing for the next step in its growth. We have incorporated First Wyoming Life Insurance Company as of February 2, 2011, and have begun the process of obtaining our Certificate of Authority from the Wyoming Department of Insurance.

We continue to add agents and move the sale of stock into new counties across Wyoming. It is important for us to establish a strong shareholder base across the state. Your help and assistance with invitations is extremely important. We thank you for all the good people you have already invited. It is because of you that First Wyoming Capital has been so successful to date. If you feel there are others that we have not made contact with and should, please call our office so we can visit them as soon as possible.

The annual meeting of First Wyoming Capital will be held on June 2, in Cheyenne. You will be receiving an annual report with the audited financial statements and a proxy prior to the meeting. That information should be mailed to you by the 1<sup>st</sup> of May and will include the ballot for your Board of Directors. We are blessed to have so many quality Wyomingites who are willing to serve on your Board of Directors. We encourage you to vote the proxy if you are unable to attend the meeting in person.

Thank you for your support. If you have any questions regarding your company please contact me.

Sincerely,

Timothy M. Vetter  
CEO
